

QUALCOMM® QUICK CHARGE™ 3.0 TECHNOLOGY

**HIGH VOLTAGE DEDICATED CHARGING PORT
VERIFICATION**

**ISSUED BY
UL VERIFICATION SERVICES INC.**

CERTIFICATE NO	▶ 4787326815-2
SPECIFICATION	▶ Qualcomm HVDCP Interface Specification Revision H
APPROVAL DATE	▶ February 8, 2016
APPROVAL TYPE	▶ ORIGINAL ASSESSMENT
CERTIFICATE HOLDER	▶ POWER INTEGRATIONS INC ▶ 5245 HELLYER AVE ▶ SAN JOSE, CA 95138-1002 US
TYPE OF EQUIPMENT	▶ Chipset Reference Design
CLASS OF EQUIPMENT	▶ CLASS A
TRADE NAME AND MODEL	▶ POWER INTEGRATIONS ▶ CHY103
MEASUREMENT FACILITIES	
LABORATORY NAME AND ADDRESS	▶ UL Taiwan Co., Ltd. ▶ 1st Fl, 260 Da-Yeh Road, Peitou ▶ Taipei City, 112 ▶ Taiwan

Verification of equipment means only that the equipment has met the requirements of the above-noted specification. Trademark applications and agreements regarding the use of Quick Charge 3.0 Logo, are acted on accordingly by Qualcomm Technologies, Inc. This certificate is issued on condition that the holder complies and will continue to comply with the Quick Charge 3.0 program requirements established by Qualcomm Technologies, Inc. The equipment for which this certificate is issued shall not bear the Qualcomm Quick Charge 3.0 Logo unless the equipment complies with the applicable technical specifications and agreements issued by Qualcomm Technologies, Inc. as applicable to the Type Of Equipment and Class Of Equipment designated above.

I hereby attest that the subject equipment was tested and found in compliance with the above-noted specification.
